

REMARKS

Claims 1-16 remain in the application for consideration of the Examiner with Claims 17-20 standing withdrawn.

Reconsideration and withdrawal of the outstanding rejections and objections are respectfully requested in light of the above amendments and following remarks.

The Examiner objected to the title of the invention.

By the instant amendment, a new title has been provided that is clearly indicative of the invention to which the claims are directed.

Claims 7 and 15 were objected to because of informalities.

By the instant amendment, Claims 7 and 15 have been amended to overcome the helpful comments of the Examiner set forth in the Office Action.

Claims 1-16 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite.

By the instant amendment, Claims 1, 6, 9, and 14 have been amended to take into consideration the helpful comments of the Examiner as set forth in the Office Action.

It is respectfully submitted that Claims 1-16 are in full compliance with 35 U.S.C. § 112, second paragraph.

In light of the above, it is respectfully submitted that the present application is in condition for allowance, and notice to that effect is respectfully requested.

While it is believed that the instant response places the application in condition for allowance, should the Examiner have any further comments or suggestions, it is respectfully requested that the Examiner contact the undersigned in order to expeditiously resolve any outstanding issues.

To the extent necessary, Applicant petitions for an Extension of Time under 37 CFR 1.136. Please charge any fees in connection with the filing of this paper, including extension of time fees, to the deposit account of Texas Instruments Incorporated, Account No. 20-0668.

Respectfully submitted,
